

Daily Timetable:

9:00 AM – 1:00 PM: Dart Review

1. 9:00 AM – 10:30 AM: Dart Concept Review

- Review a specific Dart concept each day (variables, control structures, OOP, etc.).

2. 10:30 AM – 1:00 PM: Dart Practice

- Write code to practice the concepts reviewed earlier.

2:00 PM – 5:00 PM: Flutter Learning

1. 2:00 PM – 3:30 PM: Flutter Widgets & UI Design

- Learn about various widgets, layouts, and UI design in Flutter.

2. 3:30 PM – 5:00 PM: Flutter Practice

- Build small components or screens related to the UI design you learned.

7:00 PM – 9:00 PM: Dart and Flutter Integration

1. 7:00 PM – 8:00 PM: Integrate Dart Concepts into Flutter

- Apply Dart concepts (e.g., OOP, collections) into Flutter projects.

2. 8:00 PM – 9:00 PM: Flutter Project Exploration

- Work on small projects to practice both Dart and Flutter basics together.

10:00 PM – 12:00 AM: Flutter Focus

1. 10:00 PM – 12:00 AM: Deep Dive into Flutter

Focus on advanced Flutter topics or build more complex UI components.

This structure will help you build strong fundamentals in Dart and Flutter.
